MONSTERS AND COMBOS

MONSTERS AND COMBOS

**THE SUPER REUBY ..... \$16.95**  
This is the ultimate carnivore's delight. On a 12 inch long bun we place a ¼ pound of real beef Pastrami, then drop an 11-1/2 inch long, ½ pound Angus beef dog on top. We then layer a coating of our in house made Russian dressing with a slight kick and then top it off from end to end with sauerkraut. For the final touches we add a ¼ pound of REAL Baby Swiss cheese and then place it in the oven til the cheese is nice golden and bubbly.

**ORIGINAL SUPERDOG ..... \$9.95**  
This unique dog gets German potato salad placed on the bun and lay on top of it an 11 ½ inch, ½ pound Angus Beef dog and then top it off with cooked seasoned onion and green peppers. We add a streak of mustard down the center and cover it in shredded cheese and sprinkle it with imitation bacon bits.

**SUPER REUBY JR COMBO ..... \$9.95**  
The bun is layered with a ¼ pound beef Pastrami and then we place an almost ¼ pound Angus Beef dog on top. We then take an in house made version of Russian dressing with a slight kick and then cover the whole dog up from end to end with sauerkraut and finally add real Baby Swiss cheese from end to end. It then goes into the oven until the cheese is nice and golden and bubbly.

**THE SUPER CONEY COMBO ..... \$12.50**  
We take a 12 inch bun and place an 11 ½ inch Angus Beef Dog on it and then top it off with our home made coney sauce, diced onions, mustard, jalapenos and shredded cheese. We then place it in the oven to slightly toast the bun and melt the cheese.

**NEW** **NEW** **NEW**  
**The Bison Dog ..... \$8.95**  
This dog is made of 100% Bison meat and is about 6 inches long and is bigger than our pup sized dog but not quite as large as our dog size dogs. We make this dog to mimic the Bison Burgers. Cooked Onions, Portabella Mushrooms and then topped with melted REAL swiss cheese. **Buy 2 and get a FREE Drink.**

**THE CONEY DOUBLER COMBO ..... \$11.95**  
This is OUR double coney dog. We take a bun and slice the top of the bun to make a pocket in it. We then place one almost ¼ pound dog on the bun and one in the pocket we just cut. We then top both dogs like we would for our regular coney dogs, and that is with home made coney sauce, onions and shredded cheese.

**All Items Listed As COMBO Comes With  
1 Choice of any Large 24Oz. Fountain Drink &  
1 Bag Of Chips Of Your Choosing**
